The Indian rose and himalaya honey used in the collection create a balancing effect, helping you start your day with inner harmony.

Bamboo symbolises many formidable qualities like determination, flexibility, and strength. Bamboo nourishes the skin, is ideal for exfoliation and has a bright, fresh scent.

JAPANESE MINT

Mint is synonymous with freshness the world over. Its cooling and invigorating properties offer delightful refreshment after exercise. It also has beneficial qualities when you need a clear mind, for example in times of stress. The fragrance of Japanese Mint is more refined and smoother than that of peppermint.
